Power-of-Attorney

In consideration of the General Partner accepting this subscription and conditional thereon:

- (1) the Subscriber hereby nominates, constitutes and appoints the General Partner, with full power of substitution, as his, her or its agent and true and lawful attorney for property and agent to act on his, her or its behalf, with full power and authority in his, her or its name, place and stead to execute, swear to, ratify, confirm, acknowledge, deliver, file and record in the appropriate public offices in any jurisdictions where the General Partner considers it appropriate any and all of:
 - (a) the Limited Partnership Agreement, and any amendment, change or modification thereto from time to time made in accordance with its terms, and all declarations and other instruments or documents necessary or required to continue and keep in good standing the Partnership as a limited partnership in Ontario and elsewhere;
 - (b) all documents on behalf of the Subscriber and in the Subscriber's name as may be necessary to give effect to the sale or assignment of a Unit or to give effect to the admission of additional or substituted Limited

Partners or a transferee of Units as a new Limited Partner of the Partnership as required by and/or subject to the terms and restrictions of the Limited Partnership Agreement;

- (c) all conveyances and other instruments or documents required in connection with the dissolution and liquidation of the Partnership subject to the terms and restrictions of the Limited Partnership Agreement, including the distribution of assets of the Partnership;
 - (d) all other instruments and documents on the Subscriber's behalf and in the Subscriber's name or in the name of the Partnership as may be deemed necessary by the General Partner to carry out fully the Limited Partnership Agreement in accordance with its terms; and
 - (e) all elections, determinations, designations, applications, declarations of status or beneficial ownership, claims, information returns, forms or similar documents or instruments under the *Income Tax Act* (Canada) (including without limitation elections under Section 97(2) thereof as it may be amended or replaced from time to time) or any other taxation or other legislation or laws of like import in Canada, in the United States of America or in any other foreign jurisdiction, in respect of the affairs of the Partnership or of the Subscriber's interest in the Partnership, for and including all taxation years in which the Subscriber is or is deemed to be a Limited Partner; and
- (2) the Subscriber acknowledges that the ability of the General Partner to carry out its duties and discharge its obligations to the Partnership is dependent on the validity and survival of this power-of-attorney.

The power-of-attorney hereby granted is a power coupled with an interest and is irrevocable; it shall survive the assignment by the Subscriber of the whole or any part of the interest of the Subscriber in the Partnership, extends to the heirs, executors, administrators, successors, assigns and other legal representatives of the Subscriber, shall survive the death or disability of the Subscriber and may be exercised by the General Partner on behalf of the Subscriber in executing such instrument with a single signature as attorney and agent for all of them. The Subscriber agrees to be bound by any representation or action made or taken by the General Partner pursuant to such power-of-attorney and hereby waives any and all defences that may be available to contest, negate or disaffirm the action of the General Partner taken in good faith under such power-of-attorney. In the event that a court of competent jurisdiction (or an arbitrator in circumstances where the General Partner has agreed to be bound by such arbitrator's decision) determines that this power-of-attorney has been terminated, been duly revoked or has become invalid, any exercise of the power by the General Partner following such termination, revocation or invalidity shall be valid and binding as between the Subscriber or the estate of the Subscriber and any person, including the General Partner, who acted in good faith and without knowledge of the termination, revocation or invalidity.

The Subscriber hereby releases the General Partner from all liability of any kind that may arise in consequence of any act or omission of the General Partner, so long as the General Partner exercises its authority hereunder in good faith. The Subscriber agrees to be bound by any representation or action made or taken by the General Partner pursuant to this power-of-attorney and, if requested, agrees to ratify any such representation or action, including the execution of any documents necessary to effect such ratification. The Subscriber hereby indemnifies the General Partner with respect to all liability that may arise hereunder in consequence of any act or omission of the General Partner in the exercise of its authority hereunder, unless the General Partner is found by a court of competent jurisdiction in the Province of Ontario to have acted without good faith in exercising its authority hereunder, and such indemnification shall remain effective for any entity that ceases to be General Partner in respect of any such act or omission that occurred while such entity was General Partner.

This power-of-attorney becomes effective on the date of acceptance of this Subscription Agreement and shall continue in respect of the General Partner so long as it is the general partner of the Partnership, and shall terminate thereafter, but shall continue in respect of a new general partner as if the new general partner were the original attorney. This power-of-attorney is in addition to and does not override or terminate any other power-of-attorney previously granted by the Subscriber; however in the event of a conflict between the terms of the power-of-attorney contained herein, and the provisions relating to a power-of-attorney contained in the Limited Partnership Agreement or in any previous subscription for Units of the Partnership by the Subscriber, the terms of this power-of-attorney shall prevail. This power-of-attorney shall survive the granting of any subsequent power-of-attorney by the Subscriber. The Subscriber agrees to take any action reasonably required by the General Partner to ratify any decision made or step taken by the General Partner pursuant to this power-of-attorney.

Generally, the Subscriber (or in the case of certain entities, its “controlling persons”) will be required by law to provide the Manager with information related to their citizenship and tax residence, including their tax identification number(s). If the Subscriber (or, if applicable, any of its controlling persons) (i) is identified as a U.S. citizen (including a U.S. citizen living in Canada) or a foreign (including U.S.) tax resident or (ii) does not provide the required information and indicia of U.S. or non-Canadian status is present, information about the Subscriber (or, if applicable, its controlling persons) and his, her or its investment in the Partnership will generally be reported to the Canada Revenue Agency (“**CRA**”). In order for the Manager to comply with its obligations under FATCA and CRS, the Subscriber must provide the appropriate **Declaration of Tax Residence Form**, and will provide an updated form upon reasonable request by the Manager. The Subscriber agrees to provide the Manager with new self-certifications within 30 days of any certification or information provided on the form becoming incorrect, or upon reasonable request from the Manager. The Subscriber agrees that the Manager may exercise its power to redeem some or all of the Units of the Subscriber if it refuses or fails to provide the information required by, and sign, the Declaration of Tax Residence Form(s) when requested to do so, including a taxpayer identification number(s), and the Manager may deduct from the redemption proceeds thereof any costs or penalties that the Partnership may be exposed to as a result of the Subscriber’s refusal or failure to do so, which amount shall be retained by the Partnership or paid to the Manager, as applicable.

The Subscriber acknowledges that if the Manager is required to report information to the CRA in connection with the Subscriber’s investment in the Partnership, such report shall not be treated as a breach of any restriction upon the disclosure of information that may be imposed by Canadian law or otherwise.

The Manager may contact your TCP if it notices signs of financial exploitation or if you exhibit signs of diminished mental capacity that the Manager believes may affect your ability to make financial decisions relating to your account(s). The Manager may also contact your TCP to confirm your contact information if it is unsuccessful in contacting you after repeated attempts, particularly if the Manager's failure to contact you is unusual. The Manager may also ask the TCP to confirm the name and contact information of a legal representative such as an attorney under a power of attorney. You consent to the Manager contacting your TCP in the foregoing circumstances.

The Manager may stop or refuse transactions on your account or even place a hold on your account, including in the circumstances noted below, until the Manager have taken the steps necessary to ensure that it has complied with its legal and regulatory obligations in respect of your account. If the Manager reasonably believes that you are vulnerable and are the subject or target of financial exploitation or that you are experiencing diminished mental capacity, which may affect your ability to make financial decisions, the Manager may place a temporary hold on your account or a particular transaction. The Manager will provide you with a verbal or written notice of the temporary hold and the reasons for placing the hold. The Manager will regularly review the facts around placing the temporary hold to assess whether the temporary hold should continue.

The Manager may contact your TCP to discuss its reasons for placing or lifting the temporary hold and seek the TCP's assistance to resolve the matter.

If yes, please provide details: _____

Signature: **X** _____

Name of Subscriber: _____

Date: _____

*** DEFINITIONS**

"**close associate**" can be an individual who is closely connected to a politically exposed person ("**PEP**") or head of an international organization ("**HIO**") for personal or business reasons. Some examples of relationships that could indicate a close association for personal or business reasons could include, but are not limited to, a person who is: a) business partners of, or who beneficially owns or controls a business with, a PEP or HIO, b) in a romantic relationship with a PEP or HIO, c) involved in financial transactions with a PEP or a HIO, d) a prominent member of the same political party or union as a PEP or HIO, e) serving as a member of the same board as a PEP or HIO; f) closely carrying out charitable works with a PEP or HIO; or g) listed as joint on a policy where one of the holders may be a PEP or HIO.

“domestic politically exposed person” or “domestic PEP” means an individual that holds, or has held within the last five years, one of the following offices or positions in or on behalf of the Canadian federal government, a Canadian provincial government or a Canadian municipal government:

- A Governor General, lieutenant governor or head of government;
- A member of the Senate or House of Commons or member of a legislature;
- A deputy minister (or equivalent rank);
- An ambassador or an ambassador’s attaché or counsellor;
- A military officer (with rank of general or above);
- A president of a corporation that is wholly owned directly by Her Majesty in right of Canada or a province;
- A head of a government agency;
- A judge of an appellate court in a province, the Federal Court of Appeal or the Supreme Court of Canada;
- A leader or president of a political party represented in a legislature; or
- A mayor (the classification of mayor captures the head of a city, town, village, or rural or metropolitan municipality, regardless of the size or population).

An individual ceases to be a domestic PEP five years after they have left office or five 5 years after they are deceased.

“family member” means a mother, father, biological or adoptive child, brother, sister, half-brother, half-sister, spouse or common-law partner, ex spouse or ex-common law partner spouse or common-law partner’s mother or father.

“foreign politically exposed person” means an individual that holds, or has held, one of the following offices or positions in or on behalf of a foreign country:

- A head of state or government;
- A member of the executive council of government or a member of a legislature;
- A deputy minister (or equivalent rank);
- An ambassador or an ambassador’s attaché or counsellor;
- A military officer (with rank of general or above);
- A president of a state-owned company or bank;
- A head of a government agency;
- A judge of a supreme court, constitutional court or other court of last resort; or
- A leader or president of a political party represented in a legislature.

“head of an international organization” is an individual who currently holds or has held within the last five years the specific office or position of head of an international organization and the international organization that they head or were head of is either (a) an international organization established by the governments of states or (b) an institution established by an international organization. This would be the primary person who leads that organization, for example a president or CEO. An individual ceases to be a head of an international organization five years after they are no longer the head of the international organization or institution or five years after they are deceased.

“international organization” is an organization set up by the governments of more than one member country, has activities in several countries, and is bound by a formal agreement among member countries. An international organization has its own legal status, and it is an entity that is distinct from the member countries. Looking at how an organization was established will help determine if it is an international organization. For example, if the organization was established by a formally signed agreement between the governments of more than one country, then it is likely an international organization, and the head of that organization is a HIO.

SCHEDULE “J”

RELATIONSHIP DISCLOSURE INFORMATION

[The following disclosure only applies if the Subscriber is NOT a client of another registered dealer that has signed Schedule “B”.]

1. PURPOSE

This document sets out important information concerning our relationship with you. It contains information about us, the services that we offer and your account(s) with us. Depending on whether you retain us as a portfolio manager or as an exempt market dealer, other important information you need to know about your relationship with us is contained in other documents that are provided to you as a client, such as any investment management agreement or other similar agreement that we enter into with you, any subscription agreement that you complete if you subscribe for securities of our funds (as defined below), the offering memorandum or other disclosure document that you receive if you purchase securities of our funds, and the account opening forms, periodic account statements and updates about changes to information that will be provided to you from time to time.

2. AN OVERVIEW OF WAYPOINT INVESTMENT PARTNERS INC.

Waypoint Investment Partners Inc. is registered as (a) an adviser in the category of portfolio manager and a dealer in the category of exempt market dealer in each of the ten provinces of Canada; and (b) an investment fund manager in Ontario, Québec and Newfoundland & Labrador.

3. THE PRODUCTS AND SERVICES WE OFFER

As a portfolio manager, we offer investment management services through investment funds and other investment vehicles created and managed by us and directly to high net worth individuals and institutions through separately managed accounts. We also act as manager for investment funds and other investment vehicles created and advised by us.

As an exempt market dealer, we offer dealer services to clients who purchase securities of our funds directly from us. As an exempt market dealer, we will only trade in securities distributed under a prospectus exemption (for example, to “accredited investors” within the meaning of applicable securities laws).

This disclosure statement is designed for investors in our funds who purchase their Units directly from us and not through another dealer and describes the relationship between us, as dealer of record, and you as a purchaser of Units of one of the funds we manage.

4. CUSTODY OF CLIENT ASSETS

When we act as dealer of record for an investor in the Partnership, we do not take possession at any time of the investor’s assets. Subscription monies are delivered directly to an account with a Schedule I or Schedule II Canadian bank, or a qualified custodian under National Instrument 31-103 *Registration Requirements, Exemptions and Ongoing Registrant Obligations* (a “qualified custodian”), in the name of the Partnership, and repurchase monies are paid directly by the Partnership to the unitholder whose Units are being repurchased. Units of the Partnership are uncertificated and ownership of the Units is recorded in the investors’ names in the Partnership’s registers that are maintained by the fund administrator and overseen by us as fund manager. Your interest in the Units you purchase may be subject to risk of loss if the fund administrator experiences a breakdown in its information systems. We have reviewed the fund administrators’ systems and data protection procedures and are satisfied that they are sufficient to manage such risk.

As an adviser with discretionary trading authority over our funds and managed accounts, we typically determine where and how managed assets are held. Typically assets are held in a brokerage account in the name of the fund or client account to which it relates, and we have trading authority over those accounts as well as the ability to move cash or assets to another account. The risks associated with such arrangements are described in the Offering Memorandum under “Risk Factors”. Cash is held in an account with a Schedule I or Schedule II Canadian bank, or a qualified custodian, to process subscriptions and repurchases.

5. RISKS TO CONSIDER WHEN MAKING AN INVESTMENT DECISION

Securities laws require us to provide all clients with a description of risks that you should consider when making an investment decision, even where clients have retained us to make investment decisions on their behalf. Risks associated with an investment in the Partnership are set out in the Offering Memorandum.

6. RISK OF USING BORROWED MONEY TO FINANCE AN INVESTMENT

We do not lend money, extend credit or provide margin to our clients.

Using borrowed money to finance the purchase of securities involves greater risk than using cash resources only. If you borrow money to purchase Units of one of our funds, your responsibility to repay the loan and pay interest as required by the terms of the loan remains the same even if the value of the Units purchased declines. Furthermore, there may be negative tax consequences for an investor who borrows money to purchase Units of a limited partnership.

7. CONFLICTS OF INTEREST

Disclosure respecting potential conflicts of interest between the Manager and the Partnership is set out in the Offering Memorandum.

There are conflicts that may arise between an investor and the Manager when the Manager sells Units directly to an investor. **Disclosure regarding material conflicts of interest in connection with our role as exempt market dealer and how we address them is set out in the Conflicts of Interest disclosure statement attached as Schedule “K”.** Investors who purchase Units directly from the Manager will receive an updated copy whenever there is a material change to such Statement.

8. OPERATING CHARGES YOU MIGHT BE REQUIRED TO PAY

There are no direct costs associated with the opening or operation of your account, however the funds in which you are invested will pay us fees, as manager, which you will indirectly bear depending on the fund and the class or series of Units in which you are invested. Costs associated with an investment in the Partnership are set out in the Offering Memorandum.

You will indirectly bear a proportion of the Partnership’s operating expenses (generally based on the net asset value of the Units you hold in relation to the net asset value of the Partnership, however certain fund expenses will be allocated only to certain classes or series of Units if we determine that those expenses should properly be allocated only to those classes or series).

9. TYPES OF TRANSACTION CHARGES YOU MIGHT BE REQUIRED TO PAY

There are no costs directly paid by you associated with purchasing, selling and tendering for repurchase Units of one of our managed funds directly from us, other than possible repurchase costs to the fund that may be deducted from your repurchase proceeds. Any such repurchase costs are set out in the respective Offering Memorandum.

10. BENEFITS RECEIVED BY US

The compensation paid to us in relation to the services we provide to you or to the funds we manage that you may purchase through your account(s) are as described in the respective Offering Memorandum. There are no other benefits received by us from third parties in connection with your purchase or ownership of Units through us as exempt market dealer.

11. IMPACT OF FEES, CHARGES AND OTHER EXPENSES ON YOUR RETURNS

The fees, charges and other expenses described above under the headings “Operating Charges You Might be Required to Pay”, “Types of Transaction Charges You Might be Required to Pay” and “Benefits Received by Us” will affect the returns on the investments in your account(s) by reducing the returns in proportion to the fees, charges and expenses. Fees embedded within a fund, and any profit-sharing arrangements, reduce the market value of those securities held in your account(s). When considering the fees, charges and other expenses applicable to your account(s) and the investments you hold, you should understand that a fee, charge or other expense charged to your account(s) or the investments you hold will compound over time as a deduction to the overall value of your account(s) and/or the investments. Every dollar used to cover fees, charges and other expenses is one less dollar left to invest to compound and grow over time.

12. **REPORTING TO YOU**

In our capacity as dealer, we will provide the following reporting to you:

- a written confirmation of each purchase of Units indicating, among other things, the number and class of Units issued as well as the purchase price thereof and any charges applicable to the purchase;
- a written confirmation of any redemption or repurchase of Units, indicating, among other things, the number and class of Units redeemed or repurchased as well as the redemption or repurchase proceeds therefrom and any charges applicable to the redemption or repurchase;
- a statement at the end of each quarter (or month, if you request monthly reporting) showing, for each purchase, redemption, repurchase or transfer that you made during the period (i) the name of the Partnership, (ii) the date of the transaction, (iii) whether the transaction was a purchase, redemption, repurchase or transfer, (iv) the number and class of Units purchased, redeemed, repurchased or transferred, (v) the price per Unit paid or received by you and (vi) the total value of the transaction, as well as the number, class and Net Asset Value of Units held by you at the end of the period; and
- an annual statement on certain charges and other compensation charged to you during the year (if applicable) as well as an annual report on investment performance of your Units.

13. **COMPLAINTS AND DISPUTE RESOLUTION**

Schedule “L” describes the dispute resolution service available to you.

14. **KYC AND SUITABILITY**

If you are purchasing Units directly through us (and not through another dealer) and you are not making this investment based on advice from a registered portfolio manager that has signed Schedule “B”, it is our obligation to determine whether the Units are a suitable investment for you having regard to your investment needs and objectives, your financial circumstances and your risk tolerances. The information we are required to collect from you is set out in Schedule “B”.

15. **TRUSTED CONTACT PERSON**

If you are an individual, we will ask you for the name and contact information for a trusted contact person (“**Trusted Contact Person**”) and your consent to contact the Trusted Contact Person in certain prescribed circumstances. We will contact your Trusted Contact Person to confirm or make inquiries about possible financial exploitation, or if we have concerns about your mental capacity as it relates to your ability to make financial decisions. We may also contact your Trusted Contact Person to confirm your current contact information if we cannot reach you after multiple attempts, or to confirm the name and contact information of a legal guardian, executor of an estate or trustee of a trust under which you are a beneficiary, or any other of your personal or legal representatives. See Schedule “B-1”.

16. **TEMPORARY HOLDS**

If you are an individual, if we reasonably believe that you are in a vulnerable position and are being financially exploited or that you are experiencing diminished mental capacity that may affect your ability to make financial decisions relating to your account(s) with us, we may place a temporary hold on a particular transaction. We will provide you with notice, either written or verbal, explaining our reasons for the temporary hold. We may also contact your Trusted Contact Person about a temporary hold.

17. **BENCHMARKS**

You may find it helpful to compare the returns from your investments against one or more relevant benchmarks (i.e. the return that you may have received had you invested in a comparable investment, or a comparison of your investment to an average or median return of a basket of comparable investments). A benchmark for a fund might be an index of issuers with similar investment mandates. You should be aware of the similarities and differences between the benchmark and the investment, such as the concentration/diversification of securities, industries and or markets, the impact of fees and expenses on such returns, and risks inherent in such investments and investment strategies. Should we use a benchmark comparison when reporting the performance of one of our funds, an explanation of the similarities and differences between the fund and the benchmark will be provided at that time.

15. YOUR RELATIONSHIP WITH US

It is important that you actively participate in our relationship. In particular, we encourage you to:

- Keep us fully and accurately informed regarding your personal circumstances, and promptly advise us of any change to information that could reasonably result in a change to the types of investments appropriate for you, such as a change to your income, investment objectives, risk tolerance, time horizon or net worth.
- Review the documentation and other information we provide to you regarding your account, transactions conducted on your behalf and the holdings in your portfolio.
- Ask questions of and request information from us to address any questions you have about your account, transactions conducted on your behalf or the holdings in your portfolio, or your relationship with us or anyone acting on our behalf.

SCHEDULE “K”

CONFLICTS OF INTEREST DISCLOSURE

This conflicts of interest disclosure statement is designed for investors in the Chesswood Canadian Asset-Backed Credit Fund LP (the “**Partnership**”) who purchase their Units directly from the Manager and not through another dealer (the “**EMD Clients**”), and describes the material conflicts of interest that arise or may arise between the Manager and such clients, and between the Manager’s registered representatives and such clients. Canadian securities laws require the Manager to take reasonable steps to identify and respond to existing and reasonably foreseeable material conflicts of interest in a client’s best interest and tell clients about them, including how the conflicts might impact clients and how the Manager addresses them in a client’s best interest.

What is a Conflict of Interest?

A conflict of interest may arise where (a) the interests of the Manager or those of its representatives and those of a client may be inconsistent or different, (b) the Manager or its representatives may be influenced to put the Manager or the representative’s interests ahead of those of a client, or (c) monetary or non-monetary benefits available to the Manager, or potential negative consequences for the Manager, may affect the trust a client has in the Manager.

How Does the Manager Address Conflicts of Interest?

The Manager and its representatives always seek to resolve all material conflicts of interest in the client’s best interest. Where it is determined that the Manager cannot address a material conflict of interest in the client’s best interest, the Manager and its representatives will avoid that conflict.

The Manager has adopted policies and procedures to assist it in identifying and controlling any conflicts of interest that the Manager and its representatives may face.

Material Conflicts of Interest

A description of the material conflicts of interest that the Manager has identified in relation its role as manager and portfolio manager to the Partnership are set out in the Offering Memorandum of the Partnership.

A description of the material conflicts of interest that the Manager has identified in relation its role as exempt market dealer to the EMD Clients, the potential impact and risk that each conflict of interest could pose, and how each conflict of interest has been or will be addressed, is set out below.

Proprietary Products

As an exempt market dealer, the Manager intends only to sell interests in investments funds and other investment vehicles that are managed and advised by us (referred to as “**proprietary products**”), which currently are:

Waypoint Private Credit Fund LP
Waypoint Private Debt Fund LP
Waypoint All Weather Alternative Fund
Waypoint Alternative Yield Fund
Chesswood Canadian Asset-Backed Credit Fund LP

The Manager will not receive any compensation from EMD Clients or from the Partnership in connection with the distribution of Units of the Partnership as exempt market dealer. The Manager does earn fees from its ongoing management of the Partnership, and an affiliate receives distributions based on profits of the Partnership, but there are no commissions payable to the Manager on the sale of securities of investment funds and other investment vehicles it manages.

The potential conflict is that the Manager is only providing EMD Clients with access to proprietary products, from which the Manager receives management and/or advisory fees, and is not providing EMD Clients with access to a wider universe of investment funds and other investment vehicles managed by third-party fund managers. Further, the suitability determination conducted by the Manager for EMD Clients (if applicable) will not consider the larger market of non-proprietary products or whether those non-proprietary products would be better, worse, or equal in meeting EMD Clients’ investment needs and objectives.

To manage the conflicts inherent in making investment recommendations or taking investment actions for EMD Clients in proprietary product only, the Manager will only permit an EMD Client to be invested in Units of the Partnership if the Manager considers such securities to be suitable for such EMD Client and that investing in such securities are in such EMD Client's best interest. Because the Manager's suitability review does not include a broader universe of potential products, investors may wish to consider engaging a third party dealer or adviser before acquiring Units of the Partnership.

Referral Arrangements

The Manager may enter into referral arrangements from time to time whereby it pays or provides a fee or other benefit for the referral of a client to the Manager or to one of the funds it manages, or whereby it receives a fee or other benefit for the referral of a client to another entity. Referral arrangements may be entered into both with other registrants and with non registrants. This can create a conflict between the person to whom the referral is made and the person making the referral, as the person making the referral is incented to do so by the promise of receiving compensation even where the investment is not necessarily in the best interest of the person making the investment.

While the Manager currently has no referral arrangements in place offering and nor does it receive any referral fees, the Manager may in the future, in its sole discretion, enter into referral arrangements whereby it pays a fee for the referral of a client to Waypoint or to one of the funds it manages. No such payments will be made unless the referred investors are first advised of the arrangement and all applicable securities laws in connection with the referral arrangements are complied with.

Compensation Practices

Firms have an inherent conflict of interest when they create incentives through their compensation practices for their representatives to sell or recommend certain products or services over others. For example, a representative could be paid a higher commission to sell a product where the firm would earn higher management or performance fees. The Manager seeks to mitigate these conflicts by designing compensation programs that are product agnostic. Our registered representatives are not compensated differently based on which products or services they sell, nor is the variable portion of their compensation determined by such factors.

Conflicts related to compensation can also occur in supervisory positions, such as compliance, where supervisory staff compensation is tied to sales or revenue. This could cause these individuals to act in a manner that puts their own interests above those of clients. The Manager does not use any variable compensation tied to sales or revenue in compensating compliance staff.

It should also be noted that the Manager offers its services only through proprietary products. See above under Proprietary Products.

Fees

The Manager offers fee-based accounts for some clients. These separately managed accounts pay fees directly to the Manager and may invest in a non-fee paying series of a fund managed by the Manager to avoid double-charging fees, or invest in a no-load series since they do not have an external adviser. Some clients may negotiate a fee with the Manager based on the size of their account.

Gifts and Entertainment

The giving or receiving of gifts and entertainment can compromise independence and objectivity, as it may cause individuals to act in anticipation or because of a gift instead of the best interests of clients. While the Manager recognizes that the practice of giving and receiving gifts and entertainment is an established part of the asset management industry, it has policies in place to limit such activity to a modest amount and to ensure that it does not affect the decision making of its representatives. The Manager keeps track of gifts and entertainment as part of its monitoring of this type of activity.

Marketing Practices

Marketing materials are used in various forums to advertise the Manager's products and services. Marketing can create a conflict of interest as there may be an incentive to overstate attributes and to understate risks and weaknesses. All marketing materials are reviewed by the CCO and approved prior to distribution. Marketing

policies are in place governing the preparation and dissemination of marketing materials, including prohibiting material misstatements or omissions, including required disclosures, requirements for hypotheticals and CCO approval.

Outside Activities

Individuals representing the Manager may be involved in other activities outside of the firm that pose a conflict with the firm or its clients. Conflicts could arise due to the time involved with the outside activity, leaving insufficient time to devote to the Manager, potential client confusion in dealing with the representative or access to material non-public information about securities issuers. The potential conflict of interest inherent in an outside activity must be analysed by the employee and the firm prior to the outside business activity being approved by the CCO of the Manager. This will include considering: whether the individual will have sufficient time to properly carry out their duties with the Manager; whether the individual will be able to properly service clients (including a fund); the risk of client confusion and what controls there are to mitigate this risk; whether the activity places the individual in a position of power or influence over clients or potential clients (in particular vulnerable clients); whether the activity provides the individual access to privileged, confidential or insider information relevant to their registerable activities (if so, the individual or the entire firm may be restricted from trading in or participating in decisions relating to securities of the issuers involved).

Sales Practices

Certain sales practices raise conflicts of interest. In addition to the conflicts discussed under Compensation Practices, Gifts and Entertainment and Marketing Practices above, the Manager also is exposed to conflicts of interest related to the sales of units of its funds. The Manager has staff who interact with investment advisers who are in turn dealing with end-clients, who are unitholders of one of the funds managed by the Manager. Conflicts may arise when dealing with such advisers:

- The provision of gifts, meals or entertainment to advisers may influence their decisions with regard to the investment of client money. Waypoint has policies that limit the amount of monetary or non-monetary benefit that can be provided to advisers, including through meals, entertainment, services, training or other benefits.
- The compensation of advisers, through trailing and other commissions, can influence adviser decisions. If a fund pays a higher trailing commission than other funds, then an adviser may be influenced to recommend such fund over other funds. The Manager has different classes of Units in each of its funds, and each class pays a different fee based on certain criteria outlined in the respective offering document, such as size of investment or whether the Manager is required to pay a selling commission to a selling dealer.

Complaint handling

Addressing a complaint by a client can create a potential conflict if the Manager has a choice between addressing the complaint in a manner that is beneficial to the Manager or addressing the complaint in the best interests of the client. The potential risk to you is that we act in our own business interests.

To control this potential conflict, the Manager has a client complaints handling policy that applies to its activities as a portfolio manager and exempt market dealer. If we receive a complaint, we will provide you with an acknowledgment that includes a description of our obligations under applicable securities laws, the steps you must take to avail yourself of the Ombudsman for Banking Services and Investments (“**OBSI**”), an independent dispute resolution mechanism, and the name and contact information for OBSI. If we decide to reject a complaint or make an offer to resolve a complaint, we must provide you with written notice of our decision as soon as possible and we must make OBSI available to you at our expense. Any claims to OBSI must be no greater than \$350,000. See **Schedule “L”**.
